P. H. BENSON, M. B., *Surgeon, Lt.-Colonel,*
Sr. Surgn. & Sany. Comr. with the Govt. of Mysore.

The 18th November 1897.

Circular Letter No. 170, *dated 18th November* 1897.

From the Superintendent of Mysore Government Stationery Depôt, to all the Heads of Departments and Offices.

It is requested that Annual Indents for Stationery and Printed Forms required for the year 1898-99 may be caused to be prepared correctly with due regard to the requirements of the year and forwarded to this office punctually on or before the 15th February 1898, as prescribed by Government. Stray requisitions for Forms as required are sometimes sent and cause not only much inconvenience but also delay in the despatch of other work, especially when the Forms have to be printed again. The Indent should therefore provide fully for the requirements of the year.

2. No new Forms, not sanctioned by Government, need find a place in the Indent. Sanctioned serial number of the Form should invariably be given. Heads of Departments and Offices are requested to scrutinize the Indents of their subordinate offices (both for stationery and for printed forms) by comparing those of kindred offices with due regard to the requirements of each and countersign and forward them in original to the undersigned on or before the due date.

C. RAMA RAO, *Officer in Charge of Govt. Sty. Depôt.*
